

# AGM SOFT HEADGEAR WITH SHROUD

## CAP GOGGLE KIT

AGM Soft Headgear is a durable construction designed for mounting of the night vision device onto head. This kit represents perfect solution for those who prefer hands-free use. Just a few simple steps and device is securely fastened to your head. The standard interface allows for the installation of night vision devices using various types of mounts for shroud. The elastic cap is made of proven, durable material with a mesh lining for comfortable use. Solid metal shroud mount ensures safe locking.

- Head mountable for hands-free usage
- User-friendly interface
- Fully adjustable
- Compatible with various NVG mounts
